 FOR IMMEDIATE RELEASE

Christian County Health Department lobby is closed to public

The Christian County Health Department lobby will be closed to the public beginning March 23 due to the COVID-19 Pandemic.

Christian County Health Department is committed to reducing the threat of novel coronavirus (COVID-19) and caring for the health and well-being of our employees, customers and our community. **In response to the public health concerns regarding the spread of COVID-19, the Christian County Health Department facility lobby is closed until further notice, effective March 23, 2020.** Please be aware that the Christian County Health Department is open for business, although our lobby is closed to the public. We will continue to provide most services and staff will be available to assist customers and the public via telephone, email and our eastside walk-up window. Please note there may be slight delays in service level at this time.

If you have immediate questions, please contact us by phone or through email.
